

IGNITING CULTURAL CHANGE

Facing a real problem

AESIS

**Institutional Structures for
societal impact of science**
24-28 May 2022

By Antonia Caro, PhD
©eohforgood

In a changing and complex society, companies and institutions that want to advance must learn to adapt and evolve towards realities that respond to new current and future social demands, with an holistic approach.

This is what we believe in

eoh  **for good**

Leading Systemic
Transformation for Common Good

We are a strategic consultancy that helps organisations manage change processes with a clear focus on the common good.

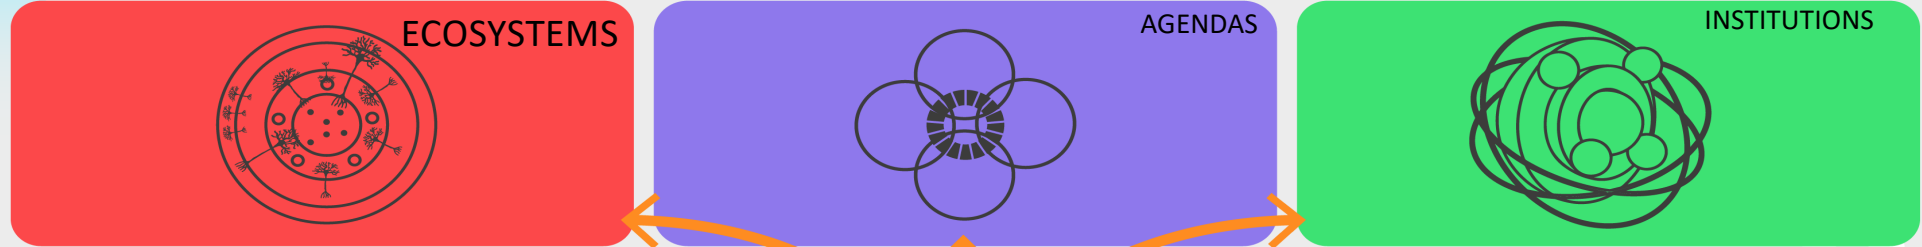

Why impact matters?
