

# AESIS

NETWORK FOR  
ADVANCING & EVALUATING THE SOCIETAL IMPACT OF SCIENCE

## ARE YOU...

...looking for a responsible position in organising international activities to connect Science with Society?

...available from January/February for at least 5 months?

...in your Master phase or a starter looking for working experience?

## ...MEET AESIS!

The Network for Advancing and Evaluating Societal Impact of Science.

Our small, fun and energetic team brings together stakeholders from all over the world in academia, government, industry and society to exchange best-practices for measuring, evaluating and stimulating societal impact.

The AESIS team is looking for a new colleague to fill the intern-position:

## Project Manager: “Impact Stimulation & Assessment”

### We are looking for someone who:

- Likes to be challenged, is self-motivated and proactive;
- Has demonstrable organisational experience, and enjoys planning events while keeping a clear overview of tasks;
- Has excellent spoken and written command of English;
- Likes to work in an international and commercial environment.

### You will be partially responsible for:

- Inviting speakers, contacting partners, assisting with marketing, overseeing various stages of the project for:
  - the annual [Impact of Sciences Conference](#) in Leiden, the Netherlands;
  - our seminar on [Open Science & Societal Impact](#) in Helsinki, Finland;
  - and one of our courses [Integrating Societal Impact in a Research and Innovation Strategy](#);
- Maintaining day-to-day activities for the network: collecting and writing articles for our newsletters, maintaining correspondence with our network partners and members, and updating the website and social media.

### We offer:

- The possibility to organise international activities that will help scientific knowledge improve the world;
- Contact with key experts and stakeholders on science policy, funding and research management, taking a visible network position for yourself;
- A position with much responsibility and learning opportunities in a small, informal and dynamic organisation;
- An internship of 40 hours per week from January/February 2022 for at least 5 months.
